Head is balanced and refined with pleasing stop and flat skull. Would benefit from a little more fill to foreface and cheeks, but very pleasing underjaw. Earset a little low, but excellent carriage. Eye of pleasing shape and well placed with excellent pigmentation today, a little watery today and shows some tear staining which marring expression slightly (unfortunately has pollen allergy today), but pleasing type. Very elegant length of neck with pleasing forechest, upper arm and shoulder. Bone is sufficient for size. Correctly ribbed and nicely proportioned. Attractive shape in profile. Pleasing angulation to rear. Topline okay with sweep over loin. Tailset okay but would benefit from a touch more length. Feet correctly shaped. In fitting coat today, richly coloured and well presented. Quality exhibit. Covers the ground in an efficient manner. Lots to like about this girl.

Up to size. Attractive and typical head, balanced and refined. Dark, correctly shaped and placed eye with excellent pigmentation giving sweet feminine expression. Earset and carriage correct. Sufficient underjaw. Skull flat. Pleasing length of neck. Excellent forechest. Pleasing upper arm and shoulder but a little out at elbow on the left. Rounded bone gives perfect substance for size. Good ribs. Correct depth of chest. A little over long in body and I would prefer a cleaner topline. Rear angulation is sufficient, hock perhaps a little high. Tailset and length correct. Coat well fitting but a little soft in texture. Beautiful rich colour. Nice type. Covers the ground well with smooth and easy action. Good showgirl. Very well handled. Lots to like about her.

Pleasing head which is balanced and refined. Perhaps needs a touch more fill to foreface for perfection. Stop clean and skull flat. Eye well placed and with excellent pigmentation. Would prefer a darker eye, but still maintains a sweet expression. Lacking in underjaw. Earset a little wide, but carriage okay. Elegant length of neck. Pleasing forechest, upper arm and shoulder. Well rounded bone gives perfect substance for size. Correctly shaped feet with flexible pasterns. Correct ribs with excellent depth to chest. Well proportioned. Would prefer a cleaner topline but pleasing angulation to rear. Tailset okay but would benefit from a touch more length. Fitting coat of excellent texture, but has a slight wave at present – will benefit from a new coat. Shapely bitch. Covers the ground efficiently well with excellent drive from the rear. Head is balanced and refined with enough stop and flat skull. Rounded foreface. Neat earset and carriage. Eye a little full but is well placed. Would prefer a darker eye, but has excellent pigmentation. Would benefit from a little more definition of underjaw. Slight droop to nose but clean head overall. Elegant length of neck with excellent forechest, upper arm and shoulder. A little narrow in rib and would prefer a touch more bone for size, but is not fine in any way. Toeing in slightly in front. A touch over long in body and would prefer a slightly cleaner topline, but she has pleasing angulation to rear with well defined, low set hock joint. Correct tailset which would benefit from a touch more length. Correctly shaped feet that would benefit from some trimming. Inbetween coats at present. Coat has a slight wave but colour generally good. Pleasing shape overall. Covers the ground efficiently and easily. An attentive show girl.
