Mellsjøhøgda's New Speciality, E: Sissel Tangnes, Vilde Tangnes O: Tangnes Sissel, Olsen Johannes, 2608 Lillehammer (Mellsjøhøgda's Countryboy - Mellsjøhøgda's Wanna Be Special) 5 ½ month golden sable. Most promising puppy. Masculine outlook. Very nice outline. Level topline. Exc hindquarters. Straight front. Good length of tale. Stands four square. He has clean head. Parallell planes. Beautiful dark wellplaced eye. His earcarriage need to settle at the moment, but this is understandable considering his age. Moved well, particulary behind. Very well handled. A glamorous puppy who should have a future. Very promising.

North Sheltie's Chief In Command, E: Nilsen, Sonja O: Haugstvedt Anne Og Rune, 8406 Sortland (N SE FI UCH SEW-10 Rannerdale Oliwer Twist - North Sheltie's Born To Shine) A most promising 7 month old sable, masculine outlook. Good substance and exc hindquarters. Straight front and good bone. He has making of a good coat. He has a lovely clean head with parallell planes. A good foreface and underjaw. Correct stop, wellfilled skull. Wellplaced dark eye, giving a sweet expression. Beautiful wellplaced ears, good neck and shoulder. Moved especially well, and very well handled.

Nr 2, 6-9 mnd

Castlerose Elusive Soul, E: Terje Og Hansen, Marit Hansen, Marit Hansen O: Edwards, Mr J. E. L. Mrs J. B., Storbritannia (Castlerose Elusive Spirit - Castlerose Bless My Soul) 7 month tricolour, showing promise. Unfortunately rather unsetteled on the table, and could not really be assessed owing to his behavior. He is rather confused of what is wanted from him, and would benefit from more ringtraining. I found on handling he had a good body, good depth and spring of rib. Carrying a good coat. He has a clean head with wellfilled flat skull. Dark wellplaced eye, small neat ears. Moved quite well when he relaxed, but had a enormous objection to my close proximity.

Thoco's All Is Rosy, E: Bolgnes, Hanne O: Bolgnes Brit-Unni Og Hanne, 7081 Sjetnemarka (Mohnesee Back To Black - Tiakina Talkblu At Thoco) 5 ½ month mere, showing great promise. She has the most attractive colour, with full white colour. Straight front, well angulated hindquarters. Good outline and confirmation. She has a clean head, with good moulding forface and correct underjaw. She has a wellfilled skull and good ears. Correctly placed dark eye, giving a sweet expression. To be critical, I feel her stop breaks a little low, however this is no detrement as she is so very promising otherwise. She is a true mover both in front and behind, and she is especially well handled.

Mellsjøgda's Magic History, E: Tangnes, Sissel O: Tangnes Sissel, Olsen Johannes, 2608 Lillehammer (Herds History Maker - Mellsjøgda's Kind Of Magic) 7 ½ month, most attractive red sable carrying a profuse coat over very good body. Good depth and spring of ribs. Stands four square. Straight front. Good turn of stifle. She has a good long tale. Very pretty wellmoulded head. Good foreface and correct underjaw. Good stop. She has a very nice overall outline. Good length of body carrying a very good coat. She has good bone, straight front, exc depth and spring of rib. Exc hindquarters. She has a especially nice head with correct head profile. She has a moulded foreface, correct stop. Wellfilled skull. She has a wellplaced eye, but I would prefere it a shade darker. She has well placed ears, but today her earcarriage is a little erratic today owing to teething. Showing a great deal of promise. Moved very well.

Nr 3, 6-9 mnd

Kathimer's Mermaid Beauty, E: Kathrin Og Johansen, Knut-Inge Johansen, Knut-Inge Johansen O: Johansen Kathrin Og Knut-Inge, 8100 Misvær (Karmell's You Are My Sunshine - Kathimer's Irish Blessing) Very pretty tricolour 8 months old. Very feminine outlook. She has a good body, covered by good coat. She is a good black with ritch tan markings. She has a refined head. Wellfilled skull, good eyeplacement giving a sweet expression. I would prefere a little more filling in foreface and more definit earcarriage, but she can be excused in to her age. She moved adequately. Lovely temperament.

Very good bodylines. Good neck and shoulder. Good depth and spring of rib. Wellangulated hindquarters. Straight front with good bone. He possesses a very nice head. Good moulding of foreface. Correct underjaw. Definite stop. Wellfilled flat skull. Lovely eye and expression. Good ears. Today he was unfortunate to have a thick embedded in his head, witch disturbed him rather. He has a good backline. Fited coat. Straight front. Quite a glamour boy. I love his head, eye and expression. Good ears. North Sheltie's Cold Case NO39055/12, 11/04/12, E: Sandnes, Sigrun O: Haugstvedt Anne Og Rune, 8406 Sortland (SE UCH Lynnfield Joshua - North Sheltie's Destiny Calls) 14 months tricolour. Well developed for his age. He is in good coat, rich tan markings. He has a level topline, good length of body. Well angulated hindquarters and long tale. He has a nicely moulded head with good filling in foreface, correct stop, wellfilled skull. I would prefer his eye a little more almond shape, and his ears are a fraction heavy. He moved very well, has excellent front extension, and drive from behind. However, he needs more ringtraining as he has potential.

VG, 4JKK
